2020 FFAA Competition: Future in Focus

The theme for our next competition looks toward the future in the year 2020. Our past competitions looked back with "My Heritage", at the present with "Climate Change", now we look toward the future with "2020 Future in Focus".

We invited our members to put forward suggestions for the 2020 theme with a small prize. Our Junior Weaver member, Josie Voth, won the prize with her timely suggestion, congratulations Josie!

Look for new categories and a simpler registration as we look toward our future. [Watch the website for details and call for entry in late 2019.](#)
